# OUR FUTURE LOOKS BRIGHT

As our school year comes to an end, I must express my gratitude to our students, teachers, staff, parents and community for your relentless commitment to excellence. The joy of seeing our graduates take their next step to college, military, or the workplace is so fulfilling for parents and educators alike because of the memories and experiences created over the years. So many people are needed for this lifelong journey of learning to exist. Parents, teachers, school staff, administrators all have a role to play. So do many others – volunteers, citizens, elected officials.

When we all invest time, effort, and resources in our children, the return on our investment is priceless.

We have approximately 1,000 graduates in 2018, and among this remarkable team is our Golden Citrus Scholar Hall of Fame winner, Dennis Nguyen. Dennis, from Lecanto High School, exemplifies how Citrus County focuses on academic success and the importance of citizenship and leadership. Dennis has a 4.82 weighted GPA, a perfect score of 800 on the SAT Math subtest,

and a perfect score of 36 on the ACT English and Science subtests. He is a National AP Scholar and a Commended National Merit Scholar. He has also contributed over 200 community service hours and is the Interact Club Vice President, Academic Team Captain, and a member of Robotics Club, NHS, and ROCCS. He will continue making our world a better place by majoring in biochemistry at the University of Florida in pursuit of being a medical oncologist.

It is through strong relationships, communication, and shared values that our school district continues to raise and educate the best of the best! We will continue investing in the present so that we have hope in the future and a better tomorrow.

# Outstanding Accomplishments

## NATIONAL MERIT SCHOLARSHIP PROGRAM

The National Merit Scholarship Program is an academic competition for recognition and scholarships. High school students, from all over the United States, enter the National Merit Program by taking the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) – a test which serves as an initial screen of approximately 1.5 million entrants each year – and by meeting entry/participation requirements.

About 34,000 of the 1.5 million entrants are awarded Letters of Commendation in recognition of their superior academic promise and for being in the top 2% of U.S. seniors. Citrus County had five students from Lecanto High School receive this recognition: Jackie Beery, Colton Gonsisko, Miles Hall, Dennis Nguyen, and Ashley Schuler.

About 16,000 entrants qualify as Semi-finalists and only 1% of all entrants receive Finalist status. Lecanto High School's Camden Powers received this outstanding honor.

## 4-H / TROPICANA PUBLIC SPEAKING CONTEST

- The 4-H / Tropicana Public Speaking Contest helps students in grades 4-6 learn how to successfully write and deliver a speech. Sponsored by Tropicana since 1969, this annual event involves more than 150,000 students in over 50 Florida counties.

- Citrus County Schools is thankful to collaborate with the University of Florida IFAS Citrus County Extension Office in Lecanto to bring Tropicana to our students. Dr. Marnie Ward, Citrus County's 4-H Agent, works with schools to ensure that students have a positive experience throughout the contest period.

- As early as September, 4th-6th grade teachers began working with students on the components for writing and delivering an effective 2-3 minute speech. Each 4th-6th grade student participated in a classroom speaking competition. Classroom winners progressed to the school competition which showcased the top 10 speeches. The 1st and 2nd place school winners participated in the district-wide competition at the Citrus County Canning Center on January 13th & 14th.

Summer Communication

# PARENT TIPS FOR SUMMER READING

Literacy experts and educators agree that children of all ages need to be read to, read by themselves and talk about the books they have read during the summer. Your student's summer reading and book discussions will help maintain reading skills, improve reading fluency and provide the opportunity to learn new vocabulary and concepts. Most importantly, when parents and children enjoy summer reading together, children develop a love of books and reading that lasts a lifetime. According to research by Richard Allington (2007), by the time a struggling reader reaches middle school, summer reading loss has accumulated to a two-year lag in reading achievement. Let's work together to help students stay on track and not lose valuable ground in reading.

## RECOMMENDED BOOKS FOR SUMMER READING

The Sunshine State Young Readers Award (SSYRA) & Florida Teens Read (FTR) are statewide reading motivational programs sponsored by the Florida Department of Education (DOE) and Florida Association for Media in Education (FAME). The purpose of both programs is to encourage students to read independently for pleasure. Each year, the SSYRA books are selected for their wide appeal, literary value, varied genres, curriculum connections, and/or multicultural representation. The FTR books are designed to entice teens to read and spur critical thinking. The following titles have been selected for the 2018-2019 school year and would make excellent summer reading materials!
